

**WEEK 5
REACH
MATTHEW 4:1-11**

REVIEW

What were some of the key things you took from today's message?

REFLECT

What distracts you the most when it comes to reaching out to others with the gospel?

How do you think sin in our life can be linked to a lack of concern for God's purpose in our lives?

In the sermon, we looked at 1 John 2:16, which told us that there are three areas where we tend to struggle – the lust of the flesh, the lust of the eyes and the pride of life. Which of these areas do you tend to struggle with the most?

Have you ever struggled with trying to tell God what He needs to do? Why do you think that is a dangerous thing for us to do spiritually?

What are some things that you are hungry for right now – not just food, but wants in general? Are any of these things distracting you from God's purpose for your life?

Have you ever been guilty of trying to do things your way, instead of God's? Can you look back at your life and see areas where your pride got the best of you?

What are some ways we can keep ourselves from becoming prideful as we go through life?

How does following Jesus make you feel full and complete?

How does the Word of God help you battle through your temptations? Can you give an example of a time where you used scripture to overcome a temptation?

Do you feel like you are truly experiencing intimacy with God right now? Explain.

How does serving God help you to be intimate with God?

Is there anyone that you are ministering to or reaching out to right now? What does that look like?

RESPOND

This week minister to others through prayer. This Wednesday, join us as we walk or drive through our community praying over the homes, schools, businesses and the people who occupy them in our area.

We believe that God has called us to REACH Brevard, and it begins by asking His Spirit to begin to work amongst us. Prayer matters most!
